Mattapoisett Selectmen Donald Linhares, left, and Manuel Nunes, Highway Surveyor, are shown with a recently acquired sign maker which is now in use by the town of Mattapoisett. The machine is used to bake a reflective surface on an aluminum base. Then the letters of the sign are baked on to the sign. The finished product is a durable, night glowing, attractive sign. Mr. Nunes has added a special sign room to the town barn to house this equipment and provide the working space for the layout and storage of materials.

A Sandwich Tour

ON THE COVER

Salute to Sandwich on Cape Cod. One of the most beautiful town centers of any place on the Cape or, to the New Englander, anyplace in the world. Church, upper left, has a Christopher Wren Tower and the ducks, upper right, glide in the mill pond which forms a reflecting pool for the church. Sandwich beach is a joy to behold for those who like space - free and "unimproved". The dunes reach from Sandwich to Provincetown in a beautiful stretch of beach without equal. Photos, D.C.J.

SUMMER FAIR IN MARION

The spirit of carnival with an extensive midway, gay balloons and cotton candy, will enliven the scene of the annual Marion Congregational Summer Fair to be held on Saturday, July 25th, in the blocked-off area of Main and Front Streets, and on the Chapel grounds.

The Fair, with all its traditional booths and tables, plus a number of new attractions, is being planned by more than a dozen committees with scores of workers, under the general chairmenship of Mr. and Mrs. Richard Jackson. It has become an event of increasing community interest over the years.

strong individual struggling to live in a hard, untamed country. We read about barn raisings. They were occasions where neighbors gathered to help a man build a barn in a day. Church raising was common too. The Historical Society in Mattapoisett is housed in a church which was built by men of the town is just this way. This great spirit survives the advent of "Cradle to the Grave", "Big Brother" government. It smolders under a foam blanket of socialism. Self-reliance is a trait bred into free men which is destroyed only when men are rootless, raceless and a number on a punched card. In Mattapoisett, the members of the Bandstand Committee are raising money not to build a bandstand but to buy materials. The members of the Lions Club plan to actually do the building with their own hands. In Rochester, a group of men have given up weekend after weekend to paint and repair a church. Twenty men have swarmed over the large structure of the Congregational Church aided by cherry pickers donated by the tree surgeon owner. The finished job, now nearing completion, restores one of the finest colonial churches in the area to a sound and beautiful condition.

Self-reliance is a quality of spirit that has been stamped out in the cities. It still flickers and flames in the towns.

How long? It dies hard. D.C.J.

Via Con Dios

SENTIMENTAL JOURNEY

"I can't believe that I'm leaving," he said. "When you are enjoying yourself with people you like, a year is nothing." Eduardo Gonzalez Campos flashed his big smile, shook hands and said good-bye. He pedaled leisurely off on a tour of the streets of Mattapoisett. "It's my last trip," he called over his shoulder.

Eddie has lived in Mattapoisett for a year as the "son" of Mr. and Mrs. George King of Pearl Street. He is an exchange student from Costa Rica. He arrived on a Band Concert night and left at 5 P.M. on Sunday afternoon. He will tour other parts of the United States before going to Miami to be flown home. He said that the flight from there takes 1 1/2 hours.

In our shrinking world, it is rather wonderful to know that we have a Mattapoisett boy in Costa Rica. Eddie, from the moment he arrived, fit into the life of the community and the school. He was one of the boys down the street. I think of Philip Nolan in contrast. You remember the story of the "Man Without a Country". Philip Nolan renounced his country and was sentenced to never hear its name again. Eduardo Gonzales has adopted a second country and is in the most fortunate position of a man with 2 countries and 2 homes. Eduardo hopes to return for a visit. In the meantime, you can be sure that he'll visit Mattapoisett often in his mind and his heart.

He returns to his family, who have written they are counting the days, with joy and anticipation mixed with a nostalgic sadness at parting from his life as a North American. What better testimony is there to the value of student exchange which teaches lessons in understanding and affection that can be found in no books.

"Via Con Dios," Eduardo, we will think of you often in your North American home town.

Festival '70

Through the means of "Festival '70" the Mattapoisett Historical Society will provide a unique day of Living Art. This is another "first" for the Town of Mattapoisett in its "Enrichment" purpose.

A melange of every type of artistic expression, not limited to canvas, paint or clay, will be featured. Such crafts as woodcarving, silversmithing, candle dipping, scrimshaw, weaving and many others will be in action during the course of the day.

Paintings by area artists, both oil and watercolor, will be viewed in the interesting background of the Carriage House. The hanging of these art objects are under the direction of Mrs. Nathaniel Mendell.

Viewers will wander through a block of "creativity" to a musical background of spontaneous performance.

This day, Saturday, July 11th, should provide a "nourishment of roots" in apt keeping with the purpose of the Museum.

At 8 A.M. this Thursday morning, July 2nd, Mrs. David McCormack, general chairman; Robert Humphrey and Kjeld Jensen will appear on WTEV Channel 6, New Bedford, to discuss "Festival '70".

Among those who will be demonstrating their art will be: Gladys Sherman, chair rushing; Kjeld Jensen, ship models; Mrs. Peter Duff, weaving; John Kurgan, painting; Janet Stratton, potter; Lucien Lavoie, welding sculpture; and Gene Pursley, silversmithing.

PUMPING STATION MODERNIZED

No. 2 Pumping Station in the Mattapoisett water system has just received a complete rebuilding which has put it into excellent condition in time for the summer months of peak water use. The antique pumps are gone and the latest in equipment now stands in its place. A modern switchboard has been installed with a potential for remote control of the plant in the future. Should flooding occur the new motors can be lifted out of the base and above the water. This station is the old type of well which uses a spoke arrangement of well points connected to a central point by narrow gauge pipe. The pumping station induces a vacuum in the

MATTAPOISETT GIRL WINS
MARION ART CENTER SCHOLARSHIP

Proceeds from Marion Art Center's Sidewalk Art Show again enables the Center to give a $200. art scholarship to an area art student. Susan A. Beauregard of North Street, Mattapoisett, has been awarded the scholarship this year. Susan has been accepted at Pratt Institute and hopes to complete the four year course there, earning a degree in the field of Fashion Design.

Susan has been working toward this goal since her sophomore year at Old Rochester when she entered and won the Cape Cod District "Make it Yourself with Wool Contest" with an outfit of her own design. From there she went on to the State Contest and placed third in Massachusetts. In the summer of her junior year she taught sewing classes to young girls in Marion

In 1970 Susan again entered the "Make it Yourself with Wool Contest" and not only won in her District, but the State as well, and received a letter of congratulations from the Cranston Print Works Company in Webster. More recently Miss Beauregard put on a Fashion Show displaying the work she had accomplished throughout the year. She was in charge of all phases of the show which included publicity, lights, staging, invitations, programs, art display, models and dresses and the 26 outfits that were modeled.

Susan is one of three children. Her mother is an industrial nurse at Berkshire Hathaway and her father a Unit Manager at St. Luke's Hospital.

The Art Center's Sidewalk Art Show will be held again this year in August and it is looking forward to many contributions from area artists and craftsmen, enabling it to give a Scholarship again in 1971.

HISTORICAL MUSEUM TO OPEN

The Mattapoisett Historical Museum and Carriage House will open on Wednesday, July 1st, for the 12th season. Days and hours will be Tuesday through Saturday, 10 to 12 Noon and 2 to 4:30 P.M. Mrs. Harry Locke, president, will be in charge of staffing for the summer. Work has already been started in both buildings, arranging exhibits and completing present ones. With the addition of the new Carriage House, the exhibits now represent almost every type of early Americana, both indoors and outdoors, and give Mattapoisett an ever greater attraction.

Mattapoisett Yacht Club

LAST JUNE RACE SATURDAY

Last week marked the conclusion of the racing calendar for the month at Mattapoisett Yacht Club, with the fourth race in the June Series scheduled for Saturday, June 27th.

The winners in the three classes were: Susan McGowan, handicap class; Ralph Eustis, Corinthians; and Paul Pakos, Beetle Cats.

Intermittent showers tapered off to a drizzle as the first gun for the Handicap division sounded at 1:30 P.M. Very light winds (five miles per hour and lower) from the southwest prevailed throughout the afternoon.

The two Handicap craft and the Corinthians sailed the same course, starting at Ned's Point MYC guide buoy to Sunken Ledge Beach Can 1, back to Ned's Point MYC guide buoy, to Barstow Rock Red Nun 6 and finish.

John Malcolm, at the helm of Witch of Agnesi, first over the line, was overtaken by Susan McGowan in Gryphon midway of the first leg of the course. Maintaining a narrow lead to Sunken Ledge Black Can 1, Gryphon then started to move ahead to win by 3 minutes, 55 seconds over Witch of Agnesi.

Arthur Blackburn, skippering Lorelei, led the fleet of four Corinthians at the start, outdistancing the second place contender, Ralph Eustis' Lisa, by five boat lengths at the Sunken Ledge Black Can 1 marker. At this point, however, Lisa began to come from behind to lead by two boat lengths at the end of the downwind leg and continued on to victory by a margin of 1 minute. Arthur Blackburn's Lorelei finished second. Tom Clark's Instead was third.

The Beetle Cats followed a shorter course from Ned's Point MYC guide buoy to Barstow Rock Red Nun 6, back to Ned's Point MYC guide buoy, back to Barstow Rock Red Nun 6 and finish.

Although Paul Pakos in Vig Too won the starting duel, Paul Muldoon, sailing Slainte, seemed the sure winner, coming in three minutes ahead of the other three Beetle Cats. However, he was disqualified for rounding the last marker incorrectly. Brian Roderick in Pussy Kat was also disqualified for the same error. A. Bills, skippering Dinkle Finkle, did not finish. Thus, first place went to Paul Pakos' Vig Too.

A LITTLE ABOUT GIRLS' SOFTBALL

For the past four weeks on Tuesday and Thursday evenings Mattapoisett Center School grounds have been taken over by a crew of experts - the Mattapoisett Girls' Softball League. This league started two years ago under the direction of Mrs. Cathy West and Mrs. Elsie Bauer, and consisted of one team. Under their guidance there are now two teams playing not only each other but other towns as well. Feeling is running high, for both of these teams want to be tops in the league.

The "Diamond Huggers", coached by Mrs. West and Mrs. Bauer, are: Carol Bettencourt, Janice Fluegel, Erica Nelson, Betty Bauer, Donna Reilly, Diane Leitao, Kim Dennis, Brenda Morrel, Barbara Larcom, Sally Jones and Sue Mello. These girls have played together two seasons and are considered by "some" to be the strongest team. That is debatable!

The "expansion" team, the "Tough Nuggies", coached by Mrs. Jane Lees and Mrs. Mary Cooper, are: Debbie Mello, Carol Gingras, Cathy Sheets, Cathy Costa, Susan Leitao, Betsy Horrocks, Lynn Goodwin, Elizabeth Glennon, Polly Perkins, Mary Ann Beauregard, Gail Haskell and

League play started Thursday night when the "Tough Nuggies" played the Marion girls and won 38 to 9 at Center School. These two teams will play again Monday night at Sippican School in Marion. Tuesday night the "Diamond Huggers" will meet the "Tough Nuggies" at Center School, game time, 6:00 P.M. May the best team win!

MATTAPOISETT MOHAWKS WIN FIRST HALF RACE IN CAPEWAY BABE RUTH LEAGUE

The final week of the first half saw the Mattapoisett Mohawks winning their final three games, while their nearest competitors, the Mattapoisett Wanderers, and Bourne could only win once while losing twice.

The Mohawks defeated the hot Marion team on Monday 14 to 2 with Brian Fielding twirling the win, with relief from Steve MacLean.

On Saturday night, the Mohawks bounced back from a 0 to 4 deficit to win this game 14 to 6. Once again Steve MacLean came in to relieve, and was the winning pitcher. Dave Young unloaded a triple with the bases loaded to put his team ahead to stay.

On Sunday afternoon, before a good size group of rooters, the Mohawks came from behind in the last inning, scoring 3 runs to defeat their intra-town rivals, the Wanderers, by 4 to 2. The winning rally was sparked by a triple from Jerry Mullane's bat, followed by a base on balls to Mark

Is it logical to believe in God?

Yes, but no newspaper ad can convince you of God's presence and power.
What *will* convince you is a radically new view of God as Love itself. As all intelligence. As the very Principle of your being.
This scientifically-based view of God healed all types of disease 2000 years ago, and it is healing many people right now.

This week's Bible Lesson on "God" can give you some logical new views of God and yourself. You're welcome to read it in our

of Ethics to Scripps College and to the University of the South at Sewanee, Tenn., where Mr. Shafer was Associate Professor of Religion.

Mrs. Shafer is a musician and writer, the latter under her maden name of Margaret Creal, known to readers of the New Yorker, McCalls and Ladies Home Journal, etc. Her field is short fiction. Of the Shafer's five children, two of them married, David aged 12 is the one "in residence" with them in Mattapoisett. The others are expected to visit. A daughter, Coterino, is married to James B. Baker, rising New York architect. A son Stephen is a practicing physician in New York, Alexandra attends the Chapin School, New York and is fond of horses, and Paul is a student at Bard. He helped build the Shafer's house in Annandale-on-Hudson which was a joint family and student venture and most successful.

Worshippers in all faiths are welcome at St. Philip's. Regular services are at 8 and 10 A.M. Mrs. Dorothy A. Cook plays the organ.

On Thursday the Bandstand Committee will meet with delegates of various organizations of the town to coordinate plans for further fund raising. A door-to-door solicitation is planned so that all Mattapoisett residents will have the opportunity to contribute to the town bandstand. O.R. Sports Awards

OLD ROCHESTER ATHLETIC
AWARDS AND RECEPTION

The winter and spring athletes of Old Rochester were honored at an evening ceremony recently in the Gilbert Bristol auditorium of the school. Letters and awards were presented by the coaches and honored guests. The master of ceremonies, athletic director Robert C. Gardner, welcomed the audience and introduced the coaches. Miss Vivian Cunha presented second year awards to head cheerleader, Debbie Kreider; Shirley St. Germain and Janis Andrews. First-year lettermen were Janice Lowery, Maryellen Sullivan, Melanie Hurley, Cindy Thompson, Paula Silcox and Holly Buffinton.

Linda Taylor, girls' basketball coach, awarded a third-year certificate to Janet Dorr; second-year certificates to Pat Singleton, Angie Andrews and Cornelia Dougall; while Linda Marcoux, Jane Harris, Marlene Andrews, Joann Silva and Beth Macomber received their first-year letters. Captains Andrews, Singleton and Dorr were honored while Cornelia Dougall was singled out for the most valuable player.

The Girls' Track team, a sport new to the school, achieved remarkable success in its first season. Coach Joao Rodrigues, assisted by Misses Taylor and Esther-Ann Chamberlain, cited the girls' attitude and enthusiasm and presented three letters to Seniors Janet Stratton, Eleanor Wood and Jane Harris. Nineteen girls received emblems signifying their qualification for letters in 1971. Diane Wilbur was selected as the most valuable player.

Mr. Rodger Twitchell, head basketball coach, next awarded an unprecedented 4th year certificate to Thomas DeCosta. Peter Trow received a third year certificate, while Ed McCartin, Ray Lammi, Timothy Reilly, Jeff Martin, Manuel Andrews and Frank Cooper were awarded their initial varsity letters. Mr. Twitchell, who is leaving for Stonington, Connecticut, praised all of his players but heralded, for obvious reasons, the exploits of his senior sensation, Peter Trow, who was the team's most valuable player and the recipient of the Southeastern Massachusetts small schools' most valuable player. Mr. Ben Wilson of that referees' organization presented Peter with his trophy.

Norman Fuller, the coach of the Bulldog golf team, next introduced his third year junior veteran Kevin Bessette; his two second year linksmen, Gene Gaspar and Steve German; and awarded first-year letters to David Downing, Gary Gaspar, Steve Gomez and James Davidson. Gary Gaspar was presented the MVP trophy.

Coach Ronald Normand cited the efforts of his assistants and awarded third-year certificates to Kevin Knight and Tom De Costa; second-year certificates to Tim Reilly and Wayne Sylvia; and first-year letters to Steve MacLean, Donald Nielsen, John Hayes, Terry Mathieson, Peter Noyer,

The Boosters Club award, an engraved watch, was presented to Peter Trow by Mr. Joseph Sullivan, club president.

The final award, the Lester Teixeira Memorial award to the outstanding senior athlete, was presented to Peter Trow by the principal, Frank P.
